Work Experience

Salesloft *03.2024 - Present*

Senior UI Engineer

Warsaw, Poland

Salesloft helps revenue teams take the right actions to close every deal with the only platform built around the sellers' workflow.

Currently working on the development of the main Salesloft web application.

As a part of the Salesloft world - I'm taking part in developing Starlight Design system(<https://salesloft.design>) and Salesloft Connect Chrome Extension.

ExpressVPN *06.2022 - 02.2024*

|

Senior Frontend developer

Warsaw, Poland

Was involved in the development of the main ExpressVPN products. I've been leading a product team of 5 which worked on the Subscriptions module. Maintained the full cycle of feature development, such as ideation and planning sessions, assigning the tasks, communication with stakeholders and shipping production-ready code.

Developed and implemented A/B experiments on the Subscription module.
Migrated from front-end monolith into React/TS stack as a micro-service.
